

CAN YOU DRAW A MAP
OF YOUR WORLD?

You can draw it on a piece
of plain paper or card
about 15cm by 10cm.

(That's roughly the size of a postcard.)

You can make your map as
simple or complicated
as you want, and it can show

People  and animals

Places 

 You can use
emojis to
show how you think & feel 

If you want to, you can write
a couple of sentences about
your thoughts and feelings
to go with your map.

Maps give us a bird's eye view

and they can have lots of labels.

things you like,
things you don't like,
things that matter to you
things that interest you

Remember it's **your** map
so make sure it's
about the things
that are
important to **you**.
